### **In-Tents Lutheran Church Camp**

We had a great week at camp! A little rain - some tents took on water but we had enough room for those campers to move in with others. A VERY kind couple came and took all the wet sleeping bags and dried them! (We were most grateful!) But this did not stop us in any way. We all had a great time with fun, games, bible study, challenge course, swimming, and eating. All survived – including the adults and we look forward to the next time. Thank you for all you support and prayers!

This is the day the LORD has made; We will rejoice and be glad in it.

Psalm 118:24

**Flying in the Plane**

**Two hunters got a pilot to fly them into the far north for elk hunting. They were quite successful in their venture and bagged six big bucks. The pilot came back, as arranged, to pick them up. They started loading their gear into the plane, including the six elk. But the pilot objected and he said,**

**"The plane can only take four of your elk; you will have to leave two behind."**

**They argued with him; the year before they had shot six and the pilot had allowed them to put all aboard. The plane was the same model and capacity. Reluctantly, the pilot finally permitted them to put all six aboard. But when the attempted to take off and leave the valley, the little plane could not make it and they crashed into the wilderness. Climbing out of the wreckage, one hunter said to the other,**

**"Do you know where we are?"**

**"I think so," replied the other hunter. "I think this is about the same place where we landed last year!"**
