HELPING OTHERS WHEN DISASTER HITS:

Mikey’s Funnies:

The Fourth of July was coming up, and the nursery school teacher took the opportunity to tell her class about patriotism. "We live in a great country," she said. "One of the things we should be happy is that, in this country, we are all free."

One little boy came walking up to her from the back of the room. He stood with his hands on his hips and said, "I'm not free. I'm four."

A man parks his bicycle nearby the Capitol in Washington, DC and walks on.

A police officer stops him and asks, "Why did you park your bicycle here? Don't you know it is a VIP road and all congressmen and senators pass from here?"

Man replied, "Don't you worry about it, I locked my bicycle!"
